

Visit of a kindergarden in Marki

Performance from the children for the Comenius team

In this small kindergarden are 3 groups of children divided in different age groups: the 3years old, the 4years old and the 5years old children. In each group are about 20 children. There is no kindergarden obligation.

This kindergarden receives children from 7 o'clock in the morning to 5 o'clock in the afternoon. Children are eating and resting together in school

Visit of the primary school « Stefan Rowecki » in Marki

This school participated already in 2 Comenius Projects. We have been presented the work of the project called « OUR SMALL AND BIG HOMELANDS ».

325 children (aged from 6 to 13 years) are attending this school where are working 26 teachers, 1 psychologist, 1 speech therapist, one directrice and 1 vice-directrice. The children have to attend school 19 hours a week, but can choose extra activities after school, such as the theatre group, journalist club, european club....

Presentation of the work done so far

At the town hall every country presented their work done in relation with the comenius project from the second year theme: **healthy nutrition**.
